For 20 years, Cornflower has specialised in the design and manufacture of products for Museum, Heritage and Visitor Attraction retail. We are proud that our business has grown largely on reputation and by recommendation. This catalogue is designed as a simple introduction to what we do. If you can't see what you are looking for, please ask…

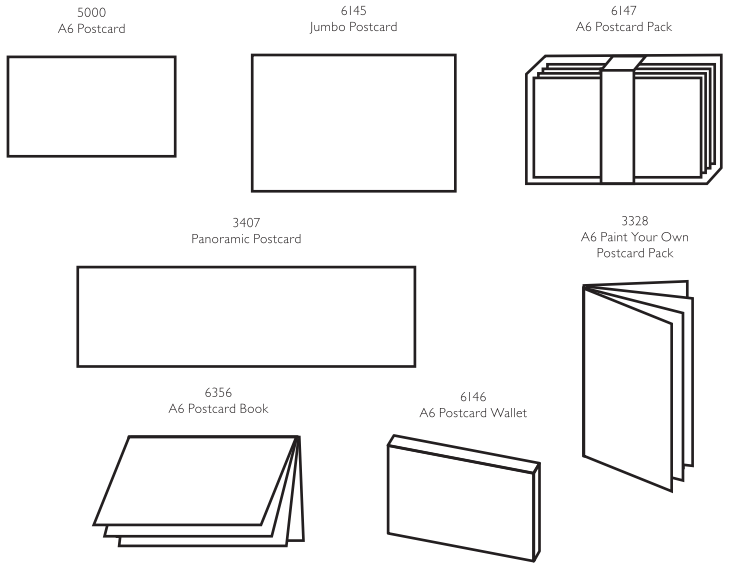
POSTCARDS

Images: © The Natural History Museum, Royal Botanic Gardens Kew, Blenheim Palace, Science Museum, Royal Museum Greenwich, Turner Contemporary



With many sites now allowing visitors to photograph exhibits freely on their smartphones, the challenge is to supply the ever-important postcard in a format that people will want to buy. Working with a wide range of institutions gives us a unique insight into what is working: from postcard packs to die cut shapes, we can help.

EXTRAS:

Postcards are printed on heavyweight 330gsm FSC mix credit board, your choice of either a silk or high gloss finish. Die cut shapes available.

We started life as a greeting card publisher and understand the market well. Greeting cards have seen something of an increase in demand over the past few years, and we can offer seven standard formats to incorporate your imagery. All cards are supplied individually cello bagged with a white envelope as standard.

EXTRAS:

Printed on 330gsm silk board in either a silk or gloss finish, or 280gsm uncoated stock; both boards are FSC mix credit. White envelopes as standard, coloured envelopes are available at a small extra cost.

Cornflower's heritage is in fine art print publishing, so prints are a particular favourite of ours. From mounted and cello bagged prints to larger prints in tubes, we offer on demand giclee prints, and longer digital and litho runs to suit any budget.

EXTRAS:

Colour accuracy and quality are hugely important with prints. Our colour calibrated workflow and eight-colour giclee machines give a very high quality reproduction on a choice of papers, including acid free cotton rag papers.
